Welcome!

Thank you for joining the Wellsville Country Club. Having been established in 1911, we are proud of our long history and how the club has evolved over the years.

Our 18-hole course is nestled along the Genesee River on the northern edge of the historic district of Wellsville and the scenery is spectacular. The WCC grounds crew maintains the course with perfection in mind to provide excellent course conditions and an enjoyable golf experience for our members.

As a WCC member, you will be in good company. Our golfers have a true and obvious passion for the game. The WCC Men's and Ladies' Golf Associations are very active and available for all adult members to join. Whether you're joining us as a golf member or a social member, we're sure you'll have fun attending our special holiday dining experiences, live music on the deck, or our members only events! We are committed to bringing new social events and golf opportunities to our members and are looking forward to an exciting 2025!

This guide provides more information, but if there is ever anything we can do to further assist you please don't hesitate to reach out. We are always happy to help in any way we can or listen to any feedback you may have. As a semi-private club, our success is made possible by new members along with our dedicated, long standing members so we are truly grateful you're here. We'll meet you on the links or see you in the clubhouse!

Warm regards,

Wellsville Country Club Management & Staff
